## **Company shouldn't get tax breaks**

I've got a question. What does the Letterkenny Industrial Development Authority do with all these millions they're taking in at Letterkenny? How much, if anything, are the members paid?

It doesn't make sense — the government gives this land to LIDA and it sells it for millions. I don't remember reading where the money is going.

Also, I read in Public Opinion on Feb. 22 where Penn-Mar Ethanol will get tax breaks on its real estate and corporate taxes until 2011.

Just what the "fat cats" need — tax breaks. Hey, LIDA members, how about giving the people on fixed incomes a tax break. I'm sure they could use it more.
