Thanks to those who helped depot

A standing ovation to Col. William Guinn, Letterkenny Army Depot commander, and his staff for all of their hard work in keeping Letterkenny Army Depot safe from the BRAC '05 list. Job well done!

Also a huge round of applause for U.S. Rep. Bill Shuster and his staff! Thank you!

We know Terry Punt, our state senator, Rob Kauffman, our state representative, and their staffs were also instrumental in helping protect Franklin County from the negative consequences any realignment of LEAD would have caused. Again, thank you!

Our community must continue to work together, with Letterkenny Army Depot, and our elected officials to ensure Franklin County will remain vital, develop responsibly, and grow even stronger.
